

# PICNIC TABLE INSTRUCTIONS

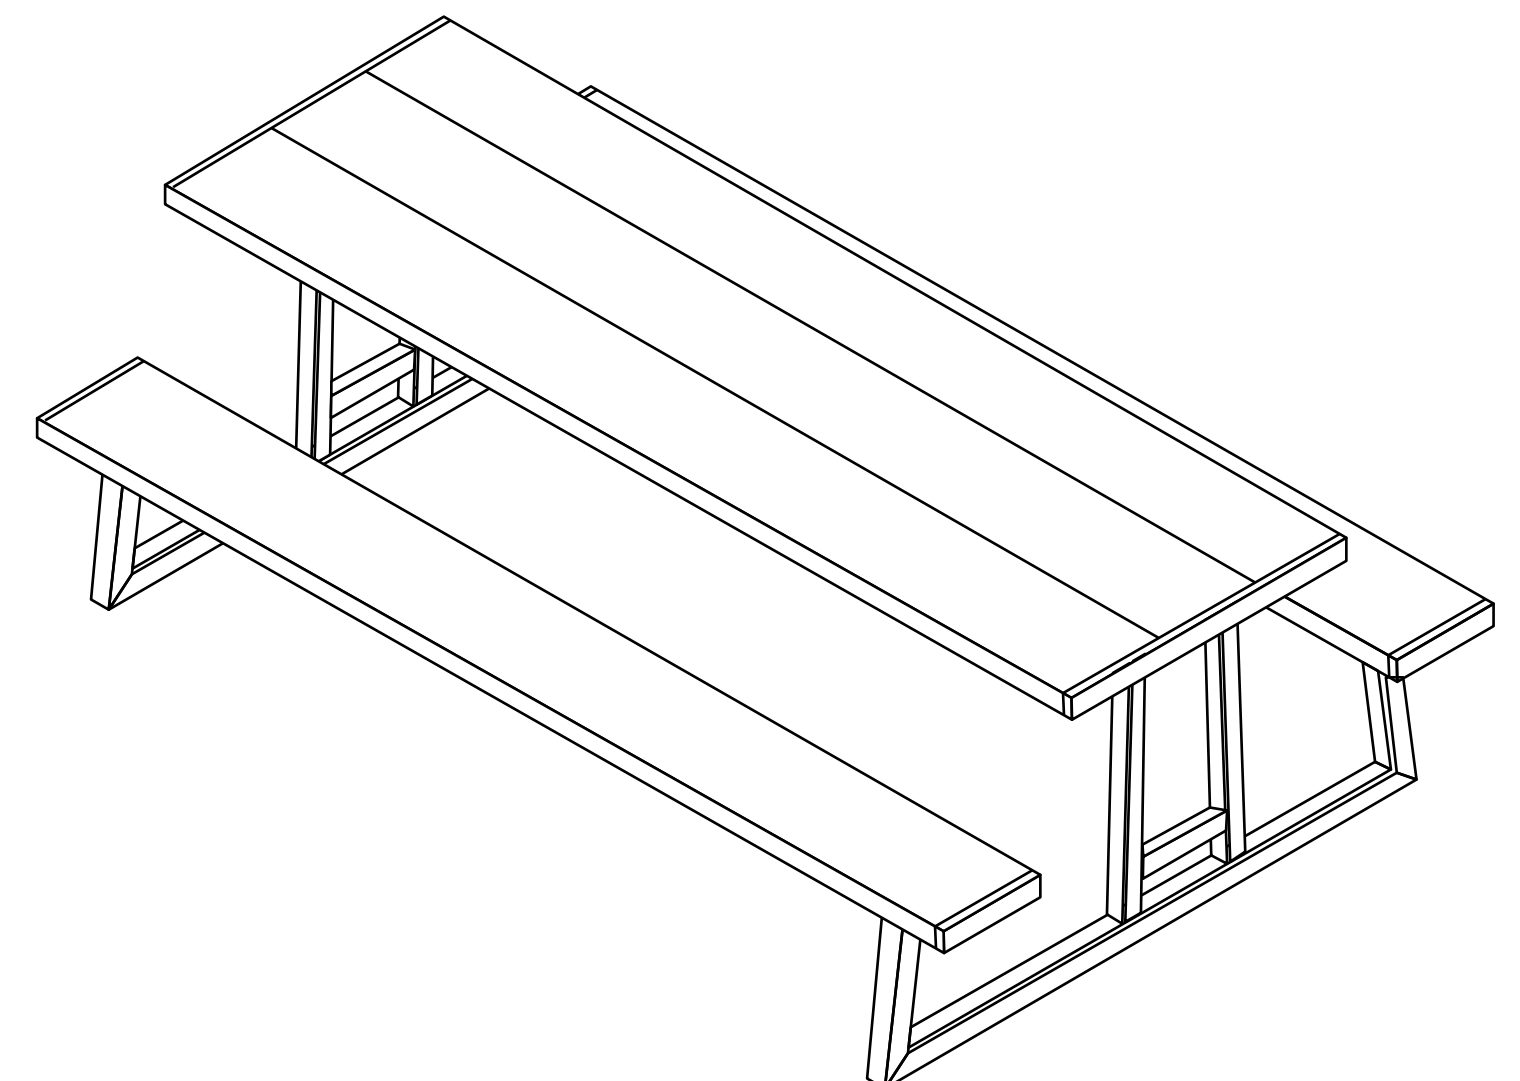

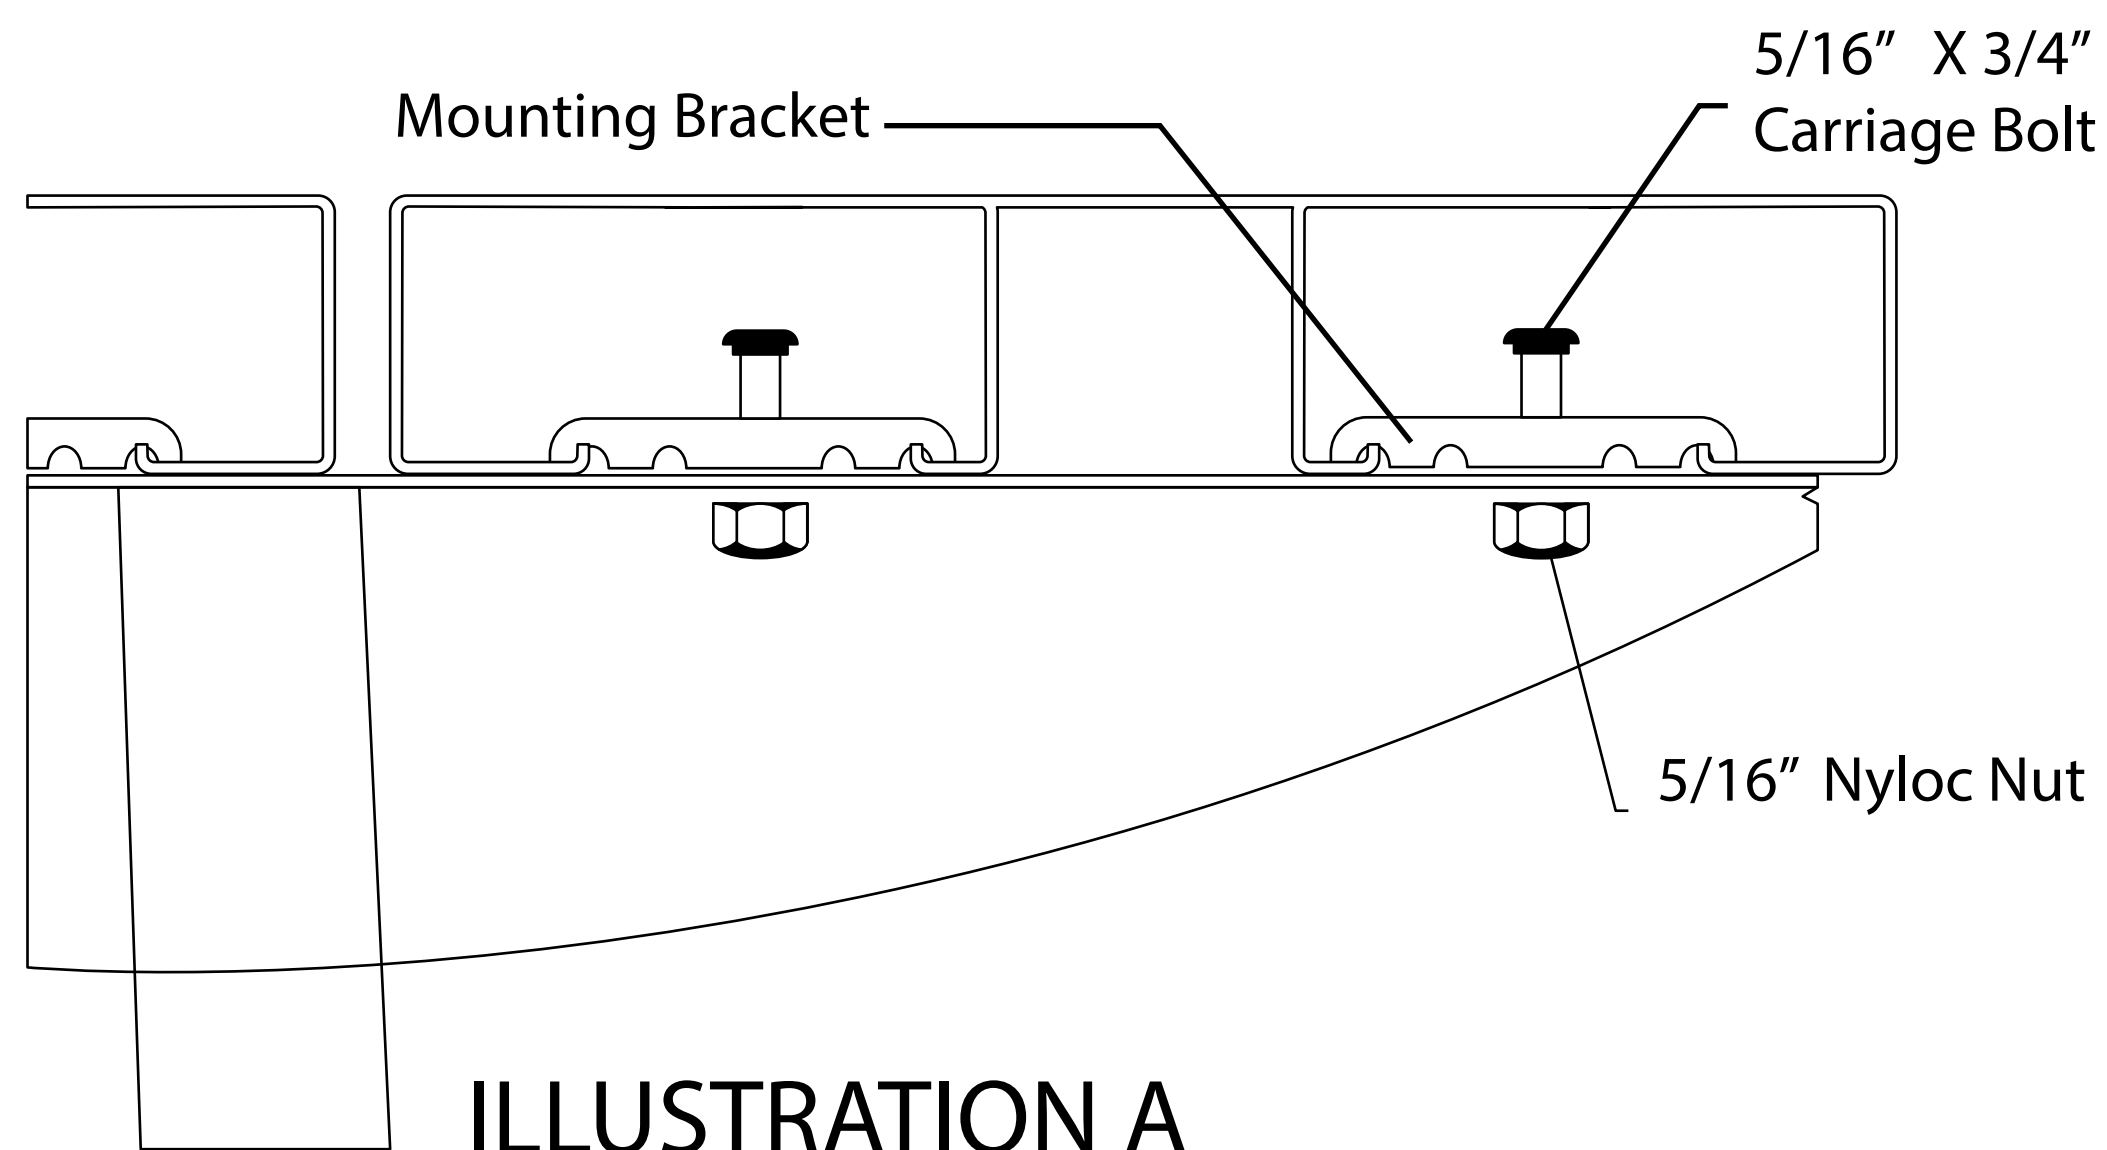

SMITH  
STEELWORKS

## Assembly Instructions:

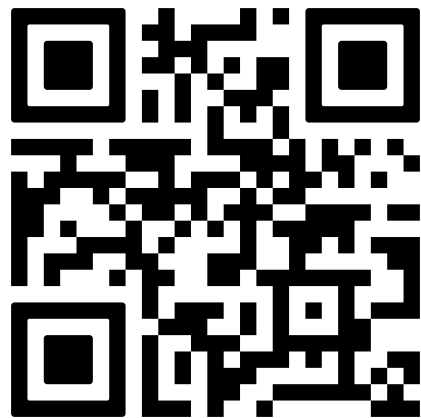

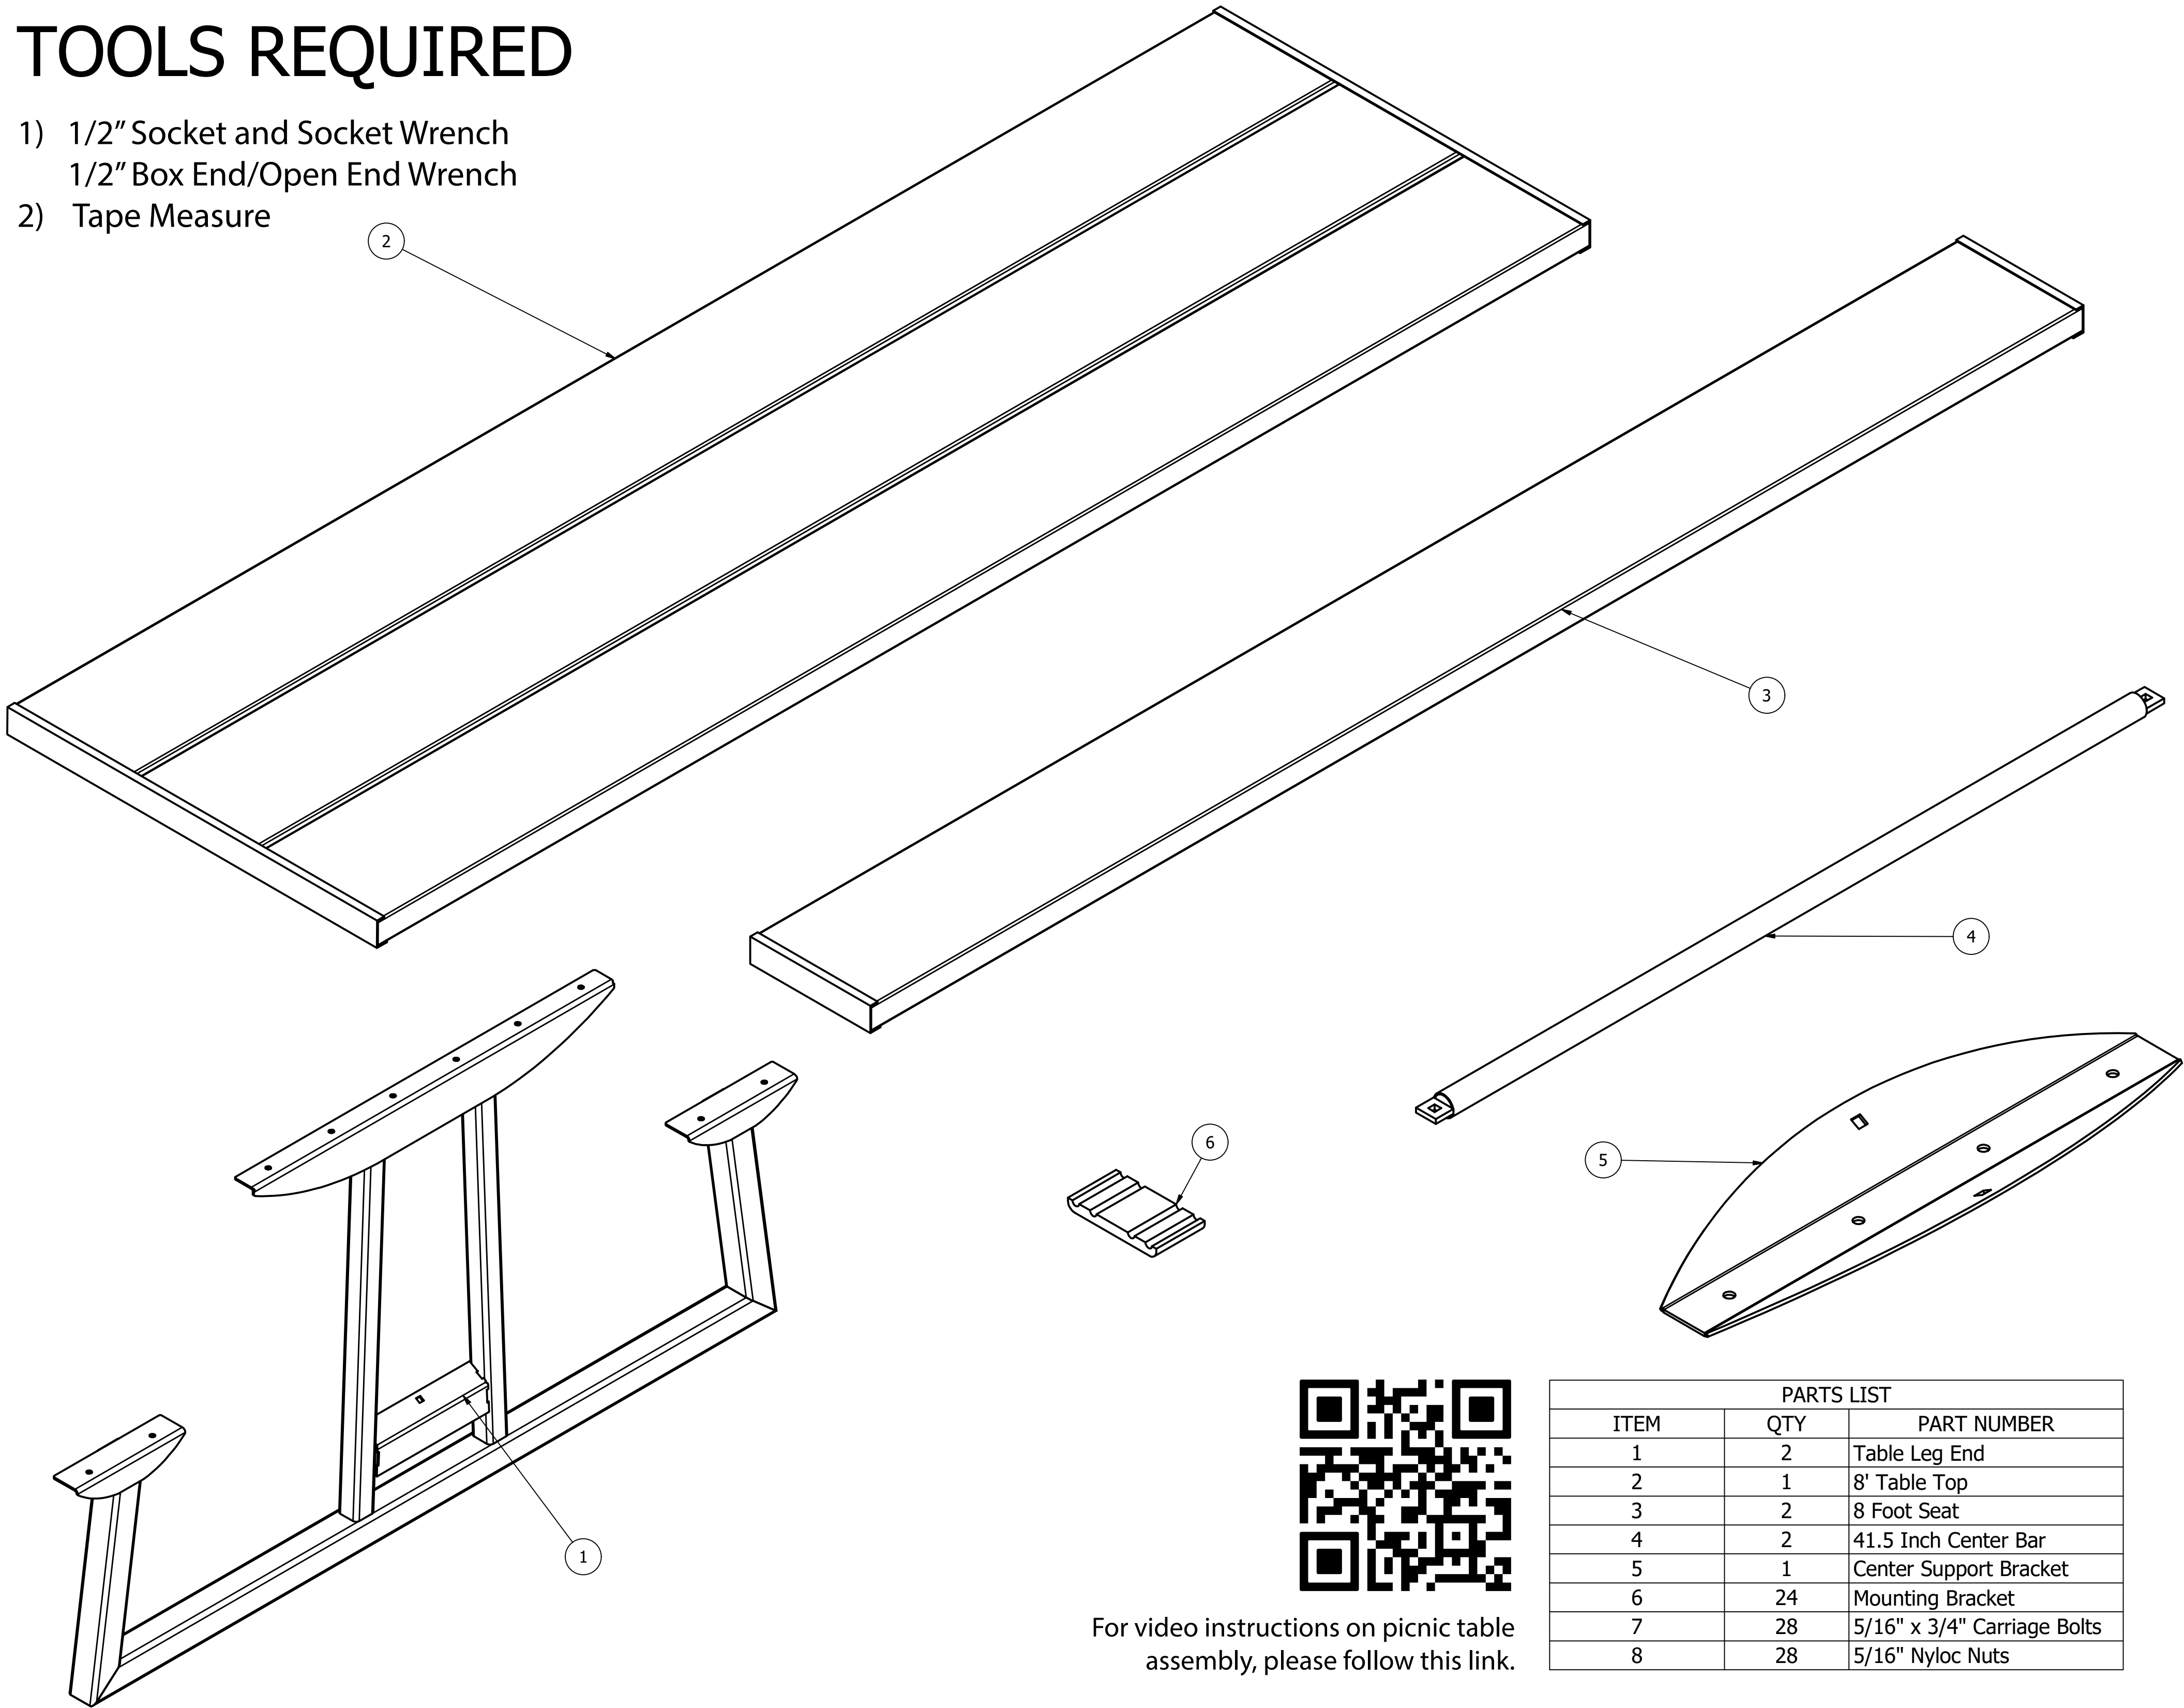

1. Place the 8' table top upside down on the grass or a blanket to protect the surface.
2. See "ILLUSTRATION A" for detailed guidance on using the 5/16" nuts and bolts along with the mounting brackets to secure parts to the table top at the specified dimensions.
3. Attach the center support bracket to the table top at the specified location.
4. Secure the table leg ends to the table top according to the specified dimensions.
5. Bolt the 41.5" center bar between the table leg ends and the center support bracket.
6. Attach the 8-foot seat to the table legs at the indicated points. Be sure to tighten all nuts and bolts securely.

**NOTE:** Ensure all nuts and bolts are fully tightened. Mounting brackets are designed to snugly secure against the legs when properly fastened.

# TOOLS REQUIRED

- 1) 1/2" Socket and Socket Wrench  
1/2" Box End/Open End Wrench
- 2) Tape Measure
